Dear Parent(s) / Carer(s)

**Trip No: 4040 - Optional Trip During Term Time on Thursday, 05<sup>th</sup> October 2017  
Year 13 Robert Warner Lecture at Founders' Hall in London**

The science faculty has an excellent opportunity to attend a talk in London on Thursday, 05<sup>th</sup> October 2017 and we would like to invite your son/daughter to join us.

The Robert Warner Lectures are an annual event held by the Worshipful Company of Founders on matters relating to science. We have been lucky enough to be invited back for the fourth consecutive year. The title of the talk this year is "The Third Age of Computing, Machine Learning, Artificial Intelligence and the Future of Work" and will be delivered by Professor Tony Hey. Professor Hey is currently Chief Data Scientist at the Science and Technology Facilities Council prior to which he was Corporate Vice President of Microsoft Research.

The talk will be given at Founders' Hall, Number One, Cloth Fair, London EC1A 7JQ. We will be provided with dinner after the talks. We will be leaving school at the end of the day to travel by train from Rye House station and will be returning at approximately 23:00.

On this occasion the school will be funding the cost of this trip.

**Please complete the [consent and payment form](#) available to download from the school's website** or return the slip attached to this letter. Please note that all trips will be allocated on a first-come, first-serve basis and we would therefore recommend that you respond as soon as possible.

Please be aware that the school reserve the right to refuse a place on this trip for any pupil whose attendance falls below the acceptable level and/or their behaviour has been a cause for concern. In line with our School Trips Policy, if there is a need to contact your child while they are out of school, please phone Mrs Sally Pringle on 07938 225451 or Mr Oliver Price on 07925019743.

Yours faithfully

**Mr M Briscoe**
