## **Year 8 Pathway Personalised Meeting – Tuesday, 24<sup>th</sup> April 2018**

Dear Parent/Carer(s)

As you will be aware, students in Year 8 are now approaching an important time in their school career when they will have to make decisions regarding their choice of subjects over the next three years. We are committed to providing support and guidance to enable students to make the right choice in order to fulfil their potential.

Following on from our recent Options Evening, we have arranged a personalised meeting on Tuesday, 24<sup>th</sup> April for all Year 8 students and their parent/carer(s) to ensure continued support and advice about their chosen options for next year. The meeting will take place with a senior member of staff and will last for approximately 10 minutes.

During the Options Evening, students will have been given a booklet and instruction sheet on how to select their preferred option choices online. The deadline for completing the online preference is 17<sup>th</sup> April. During the meeting we will be able to confirm the preferences that has made and review any concerns or difficulties regarding subject combinations. All appointments are scheduled to take place after school and will be based in the main school hall.

**will be handed a personalised letter via the form tutor with your individual appointment time. If the letter has been lost or you have forgotten your appointment time, then please telephone the school and we will give you a verbal reminder.**

Unfortunately, due to the number of students and the pressure of time, we trust that you will understand that we are unable to offer alternative appointment times. We would appreciate it if you could report to the main reception area just before the meeting and sign the register to confirm your attendance.

Please do not hesitate to contact the school if you wish to discuss this matter further.

Yours faithfully

**Mr J Scott and Mr D Allman, Co-Headteachers**
