Update on Break and Lunchtime Timings for 2017/2018

Dear Parent/Carer(s)

I am writing with regard to the trial change to break and lunchtime that took place earlier this term.

Firstly, thank you very much for discussing the proposal with your child(ren) and providing feedback.

A large number of staff, students and parents responded and all of those responses have been taken into account. The school has therefore decided that at the current time there will not be any changes to break and lunchtimes and alternative solutions will be identified.

Yours faithfully

Mr O Price
Assistant Headteacher
