Dear Parent/Carers

**Gym/Fitness Inductions - John Warner School**

I am writing to inform you that if your son/daughter would like to get their access card for the gym they are able to do this from now until the end of term and begin to use the gym at lunchtime and after school.

They will need to go to students services and have their photograph printed first, they then need to take this to the gym staff and have a card created. Once this has been done they will be able to use the gym at lunchtime and after school.

If they have any questions please tell them to speak to a member of the PE faculty.

Kind regards.

Yours faithfully

Miss Haddock  
Assistant Headteacher  
Director of Sport
